

FLOORING SYSTEMS

beta-buff

DESCRIPTION

This specially formulated blend of polymers, surfactants, and mild solvents had been designed for use in some of the toughest areas in healthcare- operating and procedure rooms. This product provides additional protection to the flooring material from Betadine and isopropyl alcohol.

DIRECTIONS

Remove surface dirt from the floor by sweeping up excess dirt and dust and then clean with a quality neutral pH cleaner to remove dirt and oils. Spray a fine mist of Forbo Beta-Buffer onto the floor in front of the floor machine just prior to buffing. DO NOT OVERWET. Use a spray buff pad and buff the floor until it achieves a sheen. Turn pad over or replace as necessary.

CAUTION

MAY CAUSE EYE OR SKIN IRRITATION WITH DIRECT CONTACT. Avoid contact with skin, eyes and clothing. Wear protective footwear when applying to floor. Avoid breathing of vapors. Use in well ventilated areas at all times. Floors are slippery when wet; keep all unauthorized persons away. Do not take internally. Wear rubber gloves when handling. Wash thoroughly with soap and water after handling. Read and understand Material Safety Data Sheet (MSDS) before using this product.

FIRST AID

EYE CONTACT: Immediately flush with water for 15 minutes. If irritation persists, seek medical attention.

SKIN CONTACT: Flush with water followed by washing with mild soap and water. Remove contaminated clothing and launder before reuse. Seek medical attention if irritation develops.

INHALATION: Remove to fresh air. Seek medical attention if symptoms persist.

INGESTION: Call physician immediately.

CONTAINS

Acrylate Copolymer Dispersion (63744-68-3), Modified Propylene Copolymer (25722-45-6), Modified Styrene Acrylic Copolymer (N/A), Tributoxyethyl Phosphate (78-51-3), Diethylene Glycol Ethyl Ether (111-90-0), Water (7732-18-5).

PRODUCT SPECIFICATIONS

Color:	Milky emulsion
Odor:	Mild
pH:	8.0 – 9.0
Viscosity:	Water thin
Dilution:	RTU
Recommended equipment:	High speed burnisher
VOC Content:	0.48 lbs./gal.
Flash Point:	None
Solubility:	Complete with water
Black mark resistance:	Excellent
Detergent Resistance:	Excellent
Storage/Stability:	2 years
Weight Per Gallon:	8.66 lbs./gal.
Freeze/Thaw Stability:	Keep from freezing
