

FLOORING SYSTEMS

adhesive remover

DESCRIPTION

Formulated using bio based solvents that are safe alternatives to highly flammable, toxic or petroleum hydrocarbon solvents, or corrosive chemicals. Forbo Adhesive Remover is a ready to use, non-toxic, VOC compliant, biodegradable product specifically designed to remove the most difficult adhesives from Forbo flooring surfaces. This soy and corn bio-based adhesive remover is formulated using a gel technology that allows the product to cling to surfaces to enhance performance.

DIRECTIONS

Always test in a hidden area first. Apply Forbo Adhesive Remover to the floor using a brush or towel. Allow the product to penetrate the adhesive for 3-5 minutes or longer in cold temperatures. Agitate the area with a brush, cloth or sponge. The most difficult adhesives may require extra contact time or repeat applications. Rinse thoroughly with water and allow the floor to dry completely before allowing traffic.

CAUTION

EYE IRRITANT. MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes, and clothing. Wear protective gloves and eye protection when using this product. Avoid breathing of vapors or mists. Use in well-ventilated areas only. Do not take internally. Keep out of the reach of children. For professional use only. Read and understand the Material Safety Data Sheet (MSDS) before using this product.

COMBUSTIBLE LIQUID. Keep away from heat and flame. Do not smoke while handling this product. Use only with adequate ventilation. Keep container upright to prevent leakage. Close container after each use. In case of spillage, absorb and dispose of in accordance with local applicable regulations.

FIRST AID

EYE CONTACT: Immediately flush with large quantities water, holding eyelids open, for at least 15 minutes. Seek medical attention immediately.

SKIN CONTACT: Remove contaminated clothing. Wash thoroughly with mild soap and water. If irritation persists, call a physician.

INGESTION: Do not induce vomiting. Call Poison Control Center or physician immediately.

INHALATION: Remove to fresh air. Seek medical attention if victim is not responsive.

DISPOSAL: Dispose of product (concentrate or diluted) by any method in accordance with local, state and federal laws. Best method is to recycle or reuse for intended purpose.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer container for recycling, or if not available, puncture and dispose of in a sanitary landfill.

CONTAINS

Propylene Glycol Phenyl Ether (770-35-4), Ethyl Lactate (687-47-8), Mixed Alcohol Ethoxylates (68439-46-3), Water (7732-18).

PRECAUCION

AL USARIO: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente.

(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you).
