

**Storage:**

Protect from frost/freezing.

**Where to use:**

This solvent-free silicone water repellent is for use on porous exterior concrete, masonry, brickwork, stonework, mortar, rendering, etc.

Helps avoid frost damage and spalling on brickwork, render, etc.

Does not alter the appearance of the substrate.

**Preparation:**

DO NOT THIN.

Shake or stir before use.

Ensure the surface is dry and remove as much loose, flaking, or dusty material as possible.

**Application:**

Apply one coat by brush, roller or spray.

Do not apply when rain or frost is expected.

Avoid use below 41°F (5°C).

Clean equipment with water.

**Coverage:**

Varies with porosity:

70-150 Sq Ft per Quart (single coat)

260-600 Sq Ft per Gallon (single coat)

**Health & Safety:**

Avoid contact with skin and eyes. Wash off splashes with water. Keep out of reach of children.
