Emergency Overview: Mild liquid mixture. Prolonged exposure to eyes or skin may cause irritation. Ingestion may cause gastric distress. Health Hazards: Eye Contact: May cause slight irritation Skin Contact: Mild skin irritation is possible with prolonged contact. Inhalation: No known effects on respiratory tract. Breathing airborne particles from spraying may cause irritation. Ingestion: No known chronic effects. May result in abdominal discomfort, nausea, and diarrhea. Flammability Hazards: This product is non-combustible. Reactivity Hazards: This product is non-combustible. Reactivity Hazards: Release of this product into the environment is not expected to cause adverse effects. HI. Composition Information on Ingredients Non-Hazardous Material. This product is a water-based mixture of solvent free resins and renewably sourced bio-based emulsions. XI. Toxicological Information	
Route of Entry:	Inhalation. Skin. Eyes.
Toxicological:	No hazardous materials present. This product does not contain any ingredient designated by IARC, NTP, ACGIH, WHMIS, EC or OSHA, as probable or suspected human carcinogens

XII. Ecological Information

Aquatic toxicity rating not determined. All possible measures should be taken to prevent release into the environment.

XIII. Disposal Information

Disposal of product must be in accordance with all federal, state, and local regulations.

XIV. Transport Information

Not Regulated

XV. Regulatory Information

Toxic Substances Control Act (TSCA): This product does not contain ingredients subject to reporting of TSCA 12 (B) if exported from the United States.

OSHA Hazard Communication Standard (29 CFR 1910.1200): Not Hazardous.

California Prop 65: To the best of our knowledge, this product does not contain ingredients on the Prop 65 substance list, which the state of California has found to cause cancer, birth defects, or other reproductive effects.

International Regulations: Consult the regulations of the applicable country of import.

XVI. Other Information

The information given and recommendations made herein is believed to be accurate, but is not warranted to be so. The data is based upon information furnished by the manufacturers of the components of the product. It is the purchaser's responsibility before using any product to verify the operating conditions and to determine whether the product is suitable for their purposes. Furthermore, the manufacturer assumes no responsibility for injury caused by abnormal use of this material even if reasonable safety procedures are followed. Questions regarding this product may be directed to the manufacturer in Section 1.
